TOURS

Self Guided Visitor Centre Tour

Learn firsthand the sustainable farming practices to produce single origin macadamias from seed to tree to table. See, touch, smell & taste your way through this self-guided, self paced interactive tour built alongside the state of the art processing facility and Visitor Centre with interpretive displays, and sample the premium nuts on a guided tasting. Visit the Farmgate Shop to peruse local gifts and handicrafts.

Tree to Table Taster Tour

After the Self Guided Visitor Centre Tour, explore the farm orchard with a picnic hamper full of macadamia nuts and treats from The Orchard Table cafe.

- Self-guided tour
- Macadamia inspired picnic full of local produce
- Nut cracking and sampling

Macadamia Palate Pleaser Tour

After the Self Guided Visitor Centre Tour, enjoy views of the orchard in the Orchard Table Cafe with a guided nut tasting matched with beer or wine tasters & visit our Farmgate Shop

- Self-guided tour
- Macadamia inspired tasting plate
- Matched beers & wines
- Nut cracking & sampling

Duration Self paced, allow 2½ hours
Conditions Bookings essential. Closed-in shoes required

Orchard to Table Guided Tour

A guided behind the scenes tour showcasing firsthand the sustainable farming practices to produce single origin macadamias from seed to tree to table, you will see, touch, smell and taste your way through this guided interactive tour built alongside the state-of-the-art processing facility with interpretive displays. With the option to add a Picnic in the Orchard (additional cost)

- Meet and talk with our experienced tour guide
- Virtual tour through the factory including interviews with key staff and family members along the way
- See firsthand through our onsite nursery from seed to planting.
- Walk through the orchard to an exclusive cracking and tasting experience in the original farm shed

Operates Tuesdays & Thursdays
Duration 1 ½ hours
Conditions Bookings essential. Enclosed shoes required

PRODUCT DESCRIPTION

50 Words
