PRODUCT DESCRIPTION

50 Words

Wilson Island is the ultimate island castaway experience, offering peace and tranquillity in a setting of unrivalled natural beauty. Unquestionably one of the most idyllic places on the Great Barrier Reef, its pristine waters host an unimaginable variety of marine life. This adult-only, romantic, private hideaway is only a 40-minute boat ride from world-renowned Heron Island.

100 Words

Wilson Island is a secluded coral cay on the Great Barrier Reef, just off the coast of Gladstone, Queensland. This adult-only, romantic, private hideaway is a 40-minute boat ride from world-renowned Heron Island. At Wilson Island, you can book your own private, designer inspired tent or you can reserve the entire island, exclusively to yourself. Covering just over five acres, Wilson Island boasts nine permanent tents and offers seclusion, playing host to just 18 guests at any one time. Snorkellers come from around the world to sample the spectacular underwater marine life and colours of fish, coral, sand and blue, blue water.
